

Carriage Hill & Co.

Carriage Hill & Co.

Our Story

Carriage Hill, home of luxury timepieces and exquisite footwear is the outcome of a deep passion for fashion and an unbridled desire for excellence by AY.

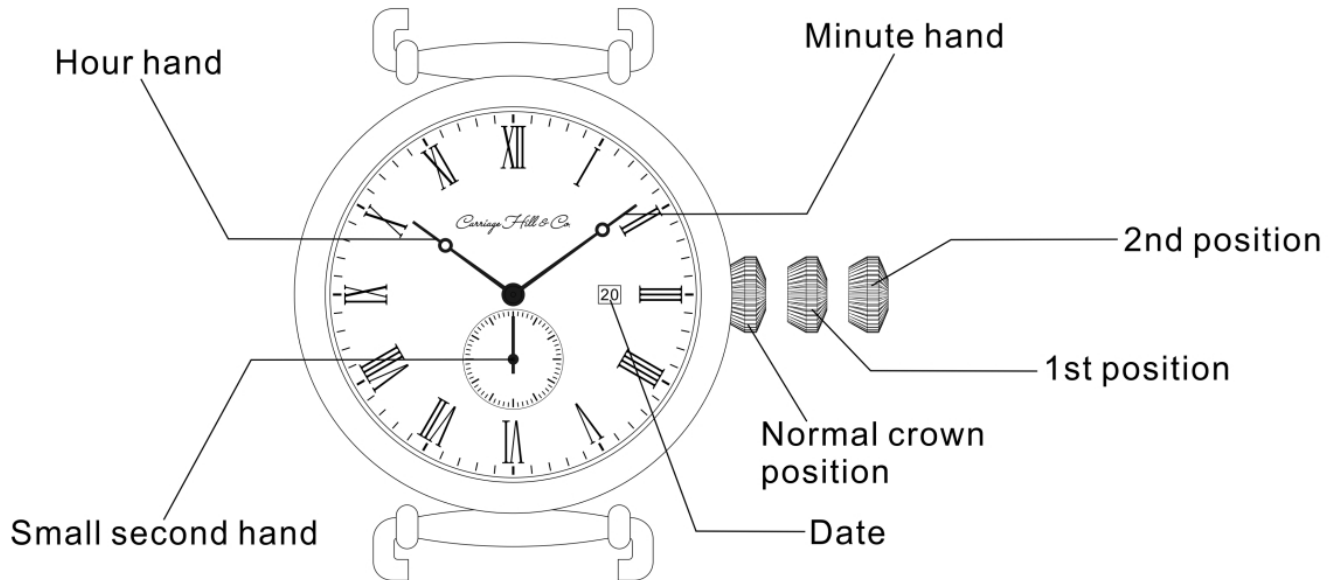

AY's passion for fashion started at a very early age, leading him on a quest around the world for a mixture the right grade of materials while building perfect teams of artisans. His ideology of “adaptive opulence” inculcates the culture of simple elegance throughout Carriage Hill producing a collection of exquisite pieces with a modern clean cut edge.

This masterpiece sure does stand out being a new brand on the market, as they say “less is more for every occasion”

INSTRUCTION MANUAL

9653G-OT45

A) DISPLAYS AND BUTTONS

B) SETTING THE TIME

1. Turn the crown to set hour and minute hands.
2. When the crown is pushed back to the normal position, small second hand begins to run.

*If the date is set between the hours of around 9:00 PM and 1:00 AM, the date may not change the following day.

3. After the date has been set, push the crown back to the normal position.

WATCH CARE AND WARRANTY

CLEANING

Please use of a clean, lint free cloth with warm water and if required a mild detergent diluted in water to remove any dirt from the case. To clean the lens, please use a clean chamois cloth. Avoid submerging the watch case in water.

WATER RESISTANCE

This watch is designed to withstand everyday use and has a 3ATM water resistance rating. Exposure to high humidity and light rain showers are acceptable, however you should avoid wearing the watch whilst showering, swimming, diving or during any other activity where it may be subjected to abnormal water pressures or environments where abnormal heat and moisture are present (i.e. 'Saunas' or 'Hot Tubs'). This combination may have a negative impact on the seals and gaskets of the timepiece.

CONDENSATION

If your timepiece experiences a sudden change in temperature or pressure, a slight condensation may appear under the crystal of your watch. This mist will disappear by itself and will not affect the functioning of your timepiece. If the condensation persists please contact place of purchase.

WATCH CARE AND WARRANTY

LEATHER BRACELETS

Your leather bracelet is made from naturally tanned calf leather which over time will develop an inherent, natural patina that improves with age. Nevertheless we suggest you limit the bracelets expose to moisture and avoid complete submersion into water which will significantly deteriorate the quality and feel of bracelet. When a replacement bracelet is required, please contact your local authorized watch store refer to the Carriage Hill & Co. www.carriagehillco.com for information on replacements and fitting.

BATTERY

Your timepiece's power source is a Japan made cell, (SILVER OXIDE SR927W or equivalent) which has an estimated lifespan of approximately 36 months. When your battery requires replacing, please contact your local authorized watch store, or refer to www.carriagehillco.com for information on battery replacement. Please protect the environment and dispose of the battery properly.

GUARANTEE

This Carriage Hill & Co. watch is guaranteed against defects in materials and workmanship under normal use for a period of two years from the date of retail purchase by the original end-user purchaser. If a

hardware defect arises within the warranty period please refer to the www.carriagehillco.com for information on the repair procedure for your particular timepiece.

ITEMS NOT COVERED UNDER GUARANTEE

- Wristwatch case, lens or back plate tarnished through general wear and ageing of the product.
- Battery
- Bracelets/Straps
- Damage caused by accident, misuse or lack of care
- Defect of internal or external components due to contact with water or moisture.

Please Note: This Guarantee shall be deemed void if the case of the timepiece has been opened for inspection or service, dismantled or repaired by unauthorized service or other factors not due to defects in material or workmanship.
